## FOR IMMEDIATE RELEASE

### **Southbound I-5 Overnight *Full Freeway Closures* - I-605 to Norwalk Blvd.**

**Norwalk / Santa Fe Springs** - The California Department of Transportation (Caltrans) today announced the scheduled overnight *full freeway closures* of southbound Interstate 5 (Santa Ana Freeway) between Interstate 605 (San Gabriel River Freeway) and Norwalk Blvd. with related ramp closures to pour concrete for bridge columns and column footings in the median. Closures are subject to change due to rain or other reasons and are scheduled as follows:

#### **Each night Sunday, Mar. 18 through the night of Thursday, Mar. 22:**

- Southbound I-5 *all lanes closed* from I-605 to Norwalk Blvd. from 11 p.m. to 5 a.m.
- Northbound and southbound I-605 connector ramps to southbound I-5 closed from 9 p.m. to 5 a.m.

*These closures are scheduled for separate nights and will re-open each morning. If rain causes excessive flooding in the below-ground construction area, these closures will be postponed. Please go to our Planned Lane Closure web page for confirmation of each night at <https://lcswebreports-new.dot.ca.gov/SearchPreAction.do?district=7>.*

Please be aware that there is also an ongoing overnight repaving project on southbound I-5 between Washington Blvd. and I-605 Wednesday nights through Saturday nights as weather permits. At least one lane open at all times.

Detours signs will be in place. Consider using southbound I-710 (Long Beach Freeway) or southbound I-605 to eastbound State Route 91 (Artesia Freeway) as alternate routes.
